

An aerial photograph showing a section of the Naab river. The river flows from the top left towards the bottom right. On the left bank, there are green agricultural fields with visible furrows. On the right bank, there is a small settlement with several buildings and a parking area. A thick red line is drawn across the river, starting from the left bank and ending in an arrowhead pointing into the water. A white text box with red text is positioned above the river. Another red arrow points to a specific spot on the right bank.

Fischwasserobergrenze  
Naab Etterzhausen
